Burbank School District 111
Reopening Plan Frequently Asked Questions

What is the plan for reopening schools?
• The plan for return is a staggered, hybrid schedule with the option for full remote. All students, whether hybrid or remote, will follow the times as listed in the table below:

<table>
<thead>
<tr>
<th>Grade Level</th>
<th>Morning Live</th>
<th>Afternoon Live</th>
<th>Afternoon recorded</th>
</tr>
</thead>
<tbody>
<tr>
<td>K-5</td>
<td>8:00 AM - 12:00 PM</td>
<td>1:40 PM - 2:45 PM</td>
<td>2:45 PM - 3:15 PM</td>
</tr>
<tr>
<td>6</td>
<td>7:45 AM - 11:45 AM</td>
<td>1:25 PM - 2:35 PM</td>
<td>2:35 PM - 3:15 PM</td>
</tr>
<tr>
<td>7-8</td>
<td>8:40 AM - 12:40 PM</td>
<td>2:20 PM - 3:30 PM</td>
<td>3:30 PM - 4:00 PM</td>
</tr>
</tbody>
</table>

• Students will have a break mid-day and then resume in the afternoon with a portion of live instruction and pre-recorded instruction.
• Students in the hybrid model will be divided into two groups:
  • Group A attends on Wednesday 8/26
  • Group B attends on Thursday 8/27
• When students are remote learning they will be logged in to Teams.
  • The students can view a projection of their teacher’s presentation of material and hear the teacher’s instruction via Teams and the white board projector.
  • Students can ask questions from home.

When does school begin?
• On August 20, the District issued a Joint Statement with Reavis High School announcing that the we would begin 100% remote learning on August 31.
• The schedule for the week of August 24 remains unchanged.

When will we know what group we are in?
• Once the data is compiled from all families across 8 schools, the groups will be made. Please watch your emails, phones, the district website, and Facebook page for updates.

Are uniforms still required?
• When in school, students are expected to follow the uniform requirements listed in the Student-Parent Handbook signed/approved upon registration.
- Uniforms: white or light blue solid polo; navy or black pants; white or navy solid sweater, cardigan, or crewneck with collared uniform shirt; LJH students are permitted to wear a Liberty crewneck with collared uniform shirt
- Student will require uniforms for a return to full time in person learning.

Are students required to wear facemasks when in school?
- Yes, all students and staff are required to wear facemasks while in school. There will be no exceptions. If you feel your child will not be able to wear a facemask, please enroll in 100% remote learning.
- Any style of facemasks may be worn as long as it fully covers the nose and mouth. Patterns and designs are permitted as long as they do not pose a safety hazard or cause a disruption to the educational process.
  - Facemasks with language or pictures that depict or convey any of the following are not permitted: express or implied obscenities or sexual vulgarities; promotion of the use of tobacco, alcohol, or illegal drugs, firearms, weapons, or violence; incitement to violence or other illegal acts; or conveyance of other message inconsistent with community values or disruptive to the school environment.

Are families required to pay the registration fee?
- Yes, registration fee of $75 for elementary and $85 for junior high are still due.

Is the district providing devices for remote learning?
- All students will be receiving their own electronic device and protective carrying case.
- Each grade level team will have the same device throughout the district.
- Device pick up will be scheduled for mid-August. This will include a brief training in operating the device and accessing Teams for all levels and Seesaw for K-3.
- All students must have completed registration in Infosnap prior to receiving a device.
- Parents will be requested to sign a release for digital student participation.

Does my student need school supplies?
- Click here for a consolidated school supply list.
- Since we will be fully remote learning starting on August 31, all supplies should be kept at home.
- For students attending in-person on August 26 or 27, they should bring their device in the bag that was distributed by the district. They should also bring an empty backpack as they will be bringing home workbooks, manipulatives, and/or supplies to use at home.
- For students who selected full remote, pick-up dates will be scheduled in order to get remote students any workbooks, manipulatives and/or supplies they need for home.

What about bus routes for August 26 and 27?
- Below are links to the bus routes for students who are eligible for transportation. Due to the start time, 6th graders are on the elementary routes with drop off at Liberty first.
  - Bus Routes - Grades K-6
  - Bus Routes - Grades 7-8

What about breakfast/lunch program?
- For student attendance days on August 26 and 27, meals will be available for students as originally planned: Breakfast After the Bell and bagged lunch at dismissal.
• Beginning Monday, August 31, grab & go meals will be available on remote learning school days at the times listed below:
  o Elementary Schools: 12:00 - 1:00 pm
  o Liberty Junior High School: 1:00 - 2:00 pm
• Please note that meals will be inclusive of both breakfast and lunch and students must purchase both. Parents/guardians must present student name / ID when picking up meals. Meals are available to District 111 students only.
• Menus are posted on the district website under District Information.

Can I enroll my child in the PASS Program?
• No, the PASS Program is unavailable for the 2020-21 school year due to the nature of the reopening plan and ISBE guidance.

What type of disinfectants will be used in the schools?
• Our disinfectants are all hospital grade and are approved to be used in a school setting. The Virex 2 is a one step disinfectant cleaner. It has been used in our buildings for multiple years now. The product is diluted with water. The active ingredients are Didecyl dimethyl ammonium chloride and dimethyl benzyl ammonium chloride. This is used on all hard surfaces for traditional disinfectant of spraying and wiping with a rag/paper towel.
• In the new sprayers, they are a disinfectant, mildewstat, fungicide, and virucide. These will be used at night when no students or other staff are present. They are used as a second layer of sanitizing/disinfecting of both surfaces and airborne items as well. The active ingredients are didecyl ammonium chloride and n-Alkyl dimethyl benzyl ammonium chloride. These are being used to take the place of the individual fogger cans we have used in the past.

How will buildings with windows that don’t open (Burbank & Liberty) have adequate air flow?
• Even though there are not windows that open, there is constant fresh air coming into the building. The units have been set up through the building software to have fresh air flow coming into the building mixed in with the air conditioning, as well as the heat in the winter. This system is in line with CDC guidelines.

What about students/staff with symptoms, COVID testing, contact tracing, etc.?
• The State Board of Education issued guidance for schools from the Illinois Department of Health on August 13, 2020. Click here to view many of the Frequently Asked Questions and Answers provided by IDPH.
• Click here for the District 111 COVID-19 Guidance for Parents/Guardians, which explains what to do if your child has symptoms, tested positive, or was in close contact with a confirmed case.
• A 14-day quarantine is recommended for persons entering suburban Cook County, Illinois, from states with high incidence of COVID-19 infections. Click here for the Suburban Cook County Travel Quarantine List, which is updated every Tuesday.
• Make sure the school has your current emergency contact information so that communication is not delayed.
• Stickney Public Health District in conjunction with Pillars Community Health are offering drive-up COVID-19 testing by appointment. See flyer for additional information.
