January 28, 2021

Dear Parents and Guardians,

Burbank School District 111 is reopening using a multi-tiered, phased approach to bring students back for in-person learning. Many variables have been considered when determining the best process for the BSD111 Return to Learn Plan. Phase 1 of our program began on January 25, 2021. It included our Early Childhood/Pre-Kindergarten students, Kindergarten students, and students with specific learning needs.

Monday, February 1, will now be a remote learning planning day for teachers in grades 1-8 in order to prepare for the next phase of the Return to Learn Plan. You will be contacted by your student's teacher regarding student attendance expectations for that day.

In Phase 2 of our Return to Learn Plan, students enrolled in the hybrid program in grades 1-2 will be returning for in-person instruction on Monday, February 8, 2021.

In Phase 3 of our Return to Learn Plan, students enrolled in the hybrid program in grades 3-5 will be returning for in-person instruction on February 22, 2021.

Elementary students will be returning five days per week. Elementary schools will open at 7:45 AM and students will begin class at 8:00 AM. Student pick up will be at 12:00 noon. Your principal will be contacting you with additional details regarding this plan.

Please visit the district website for information on bus routes and grab & go meal distribution.

In K-5 classrooms, every effort will be made to maintain cohort groups and keep students and staff in zones. A cohort group is a group of people who interact regularly. A zone is a portion of the building where staff and students most frequently travel.

In addition, every effort has been made to develop and improve systems to support learning for all students whether in-person or remote learners. Remote learners may have some minor adjustments to their schedule as we begin in-person learning district-wide.

If you have any questions or concerns, please contact the principal at your child's school.

Sincerely,

Franzy Fleck
Superintendent
